Support group for family and friends of drug/alcohol addicts starts May 19th, 6:30 PM @ Fellowship Bible

Addiction affects the life of the addict and everyone close to them. Life with an addict is tremendously challenging and stirs up many questions that we need help answering. It truly is all consuming.

- Why won't they just stop?
- How can I make them stop?
- What can I do to help them?
- What is the difference between helping and enabling?
- What do we do if they relapse?
- Can they ever be free from the addiction?
- **Where can I find support?**

This presentation will help you find answers to some of the questions you are facing. The speakers will walk through potential strategies and safeguards to help you as you help the addict in your life.

Please join us June 4, for "Surviving Life with an Addict".

Several local speakers and Jeremy Yeckley of Foundations Christian Counseling will be presenting.
