fellowship BIBLE CHURCH

take them a meal

TakeThemAMeal.com is an online tool for coordinating the delivery of meals. If someone is ill, elderly, or has had a new baby, oftentimes the church family members rally around these families to take them meals. In the past, one person would coordinate (by phone or email) the scheduling of the meals. We are now going to try and use this website to simplify the process. Whenever there is a need for meals we will send out a church wide email with a link to this website. You will simply click the link and sign up for a meal on the day of your choosing! If someone prefers to connect with the church office to sign-up for a meal they are still welcome to do so and will be added to the list. Feedback is appreciated as we try this out! Any questions connect with Stephanie in the office.
