 - Lucy Brown and Caroline Foulkrod -for healing
 - Mike (Eric Anderson's brother), is home! Continued prayers needed for healing
 - Eric and Aneta Anderson have a specific need that we as a church family can be praying for. The details follow: Hello my name is Eric Anderson. I am a 58 year old man who has to get around using a power chair. I have muscular Dystrophy. I want to continue to work. I have worked all my life. I owned and operated a dairy farm and owned a school bus. But my health doesn't allow me to do those jobs any more. I need a van with less than 50,000 miles and less than 5 years old or new of course. A provider called OVR office of vocational rehab will pay for, the nearly 25,000 dollars, worth of adaptations I need to be able to drive from my wheel chair. My wife also has a muscle disease called MG. She also still works for now. Most people who have what we do, don't work. We feel we still want to keep going. We are not old enough to sit home. We just don't make enough to be able to afford a car payment for a newer van. Our current car has only minor adaptations done to it. My wife or someone has to load the power chair which weighs about 300 lbs. with the lift we have now which is worn out. I can't go anywhere by myself. If you can, help in anyway, God Bless. Thank you Eric!
