Helicopter Landing

On **September 8**, Western Alliance Emergency Services will be using our facilities for a **landing zone class** taught by Geisinger Life Flight. This class is **for local EMS and fire personnel**. **The helicopter will be landing on our ball field between noon and 12:30 PM.**

In appreciation for all our local EMS and firefighters, Fellowship will be providing lunch for those attending the class. We are looking for help to set up tables, chairs, grill hotdogs and hamburgers, put out food, plates, etc. as well as clean up. **A sign-up sheet is at the welcome center if you would like to help.**

Families are welcome to stay around after the service to see the helicopter land, take a close up look and interact a little with those attending.
